

PREREQUISITE SOFTWARE

Team ID	PNT2022TMID33754
Project Name	Project -Industry-specific intelligent fire management system

IBM SOFTWARE:

A terminal window titled "Terminal" with a dark background and light text. The window shows the output of running the command 'python3'. The output text is: 'manikandan@pop-os:~\$ python3', 'Python 3.8.10 (default, Jun 22 2022, 20:18:18)', '[GCC 9.4.0] on linux', 'Type "help", "copyright", "credits" or "license" for more information.', and '>>>'. A cursor is visible on the line following '>>>'.

```
+ Terminal
manikandan@pop-os:~$ python3
Python 3.8.10 (default, Jun 22 2022, 20:18:18)
[GCC 9.4.0] on linux
Type "help", "copyright", "credits" or "license" for more information.
